

Kaitiakitanga: Guardians of the future

Progress vs Preservation

How can we preserve the past to protect the future?

To help us find out what others have done in our area when faced with the tensions of Progress vs Preservation Mangere Bridge School will be going on a trip to Ambury Farm to find out **how Ambury came to be a public place, how we can**

recognise when a place should be preserved and how people saved Ambury from being developed.

We will be leaving school at 9.30am and returning at 2.30pm. The trip will include a bus ride to and from Ambury, hands on activities including Butter making, lava cave visit, shearing shed activity and foreshore bird walk with binoculars that will help us understand why Ambury is special and an expert talk about how it became a public place.

Students and adult helpers must

- Wear good walking shoes
- Wear a hat and sunscreen
- Bring a raincoat
- bring morning tea, lunch and a water bottle inside a named backpack.

Classes will be going on the following days:

MONDAY 27th February **Room 17, 18, 1, 5, 7, 10, 12, 14 & 15**

WEDNESDAY 1st March **Room 2, 3, 6, 8, 9, 11, 13 & 16**

We will need parents to help us on our trip.

Please check which day your child will be going and let us know if you can come and join us.

This trip will cost \$6 per child. Please return the money and permission slip to school by Friday 24th February.

Ambury Farm Trip

I give permission for _____ to go on the trip and have included \$6 for the cost of the bus.

I am able to help on the trip.

Contact number: _____

I am not able to help on the trip.
